Continuation of 3. (d) Other: The Appeal Brief submitted on October 6, 2008 is not entered because claims 9 and 14 are not transparent with the last amendment on record entered on December 5, 2007. Applicant has attempted to remedy this inconsistency by filing an after final amendment on January 5, 2009. For example, the proposed amendment replaces the term "transaction" with "request" and adds a new limitation including "a computer readable medium" to a system claim. This amendment however would require further consideration and/or search and is therefore not entered. Examiner notes that no official interviews were conducted between the Applicant and Examiner after July 31, 2007, contrary to Applicant's statement.
